

Theater in the Garden

3rd & 4th Grade 5th & 6th Grade

Here at Red Butte Garden, we believe learning is fun and can happen anytime, anywhere. To help continue the fun at home, we've included an outline of the topics we'll study this week at camp as well as a list of additional activities, books, and other resources related to this week's theme. We hope you'll use this to engage with your camper and keep the learning process happening all summer long! Thanks for coming to Summer Camp, and we'll see you soon at the Garden!

CAMP THEME

Stone Soup, the classic tale of a community coming together to feed each other is our play this week. And what better setting than the Garden to give inspiration for a soup made of vegetables and herbs? Hiking and exploring in the Garden will give the campers inspiration for everything from set design to songs for the amazing final performance on Friday afternoon.
