Camps * Parties * Classes

Two Rules of Play-Well Camp

1) **Have Fun!** This is the **most important** rule. We take it very seriously! :-)

2) **Have Respect.**

Respect **each other**.
Respect the **instructor**.
Respect the **room**.
Respect the **LEGO**.

The Requests

Initial your child in and out every day. Help us keep our engineers safe!

Please **be on time** for drop-off and pickup. Doing so helps our instructors run a great program!

We need your help in keeping all of our students happy and healthy. Please only **bring healthy children to class**; if your child is starting to get sick, we ask that they stay at home until healthy and talk with the area manager about pro-rating for the missed days.

Bring a peanut-free snack. We will have time for your munchkin to have a snack break.

If you'd like to see what your little engineer has worked on, please **come 30-45 minutes early**. However, we may kindly ask you to step out of the room when cleanup starts, as visiting with mom or dad is often more exciting than cleaning up.

If you can't come early, consider **giving your child a disposable camera** to take pictures of their creations.

Talk to us. If you have a problem, question or concern about our class, or if your child isn't having fun, **we want to help**. If our instructors can't help resolve the issue, they will give you the phone number of someone who can.

Please talk to your child about being **well-behaved**. Let the instructor know what he or she can do to make sure your child has a **great camp experience** and please speak with the instructor if your child has special needs of any kind. We rarely need to ask someone to leave our program, but for severe or repeated disruptions, we may end the problem by **removing them from camp**.

The Notes

We don't provide LEGO® materials to take home. Instead of sending home plastic, we'd like your child to come home with a **greater understanding of engineering and a smile**. If you visit our website, www.play-well.org/lego-materials.shtml, you can find out what parts you need to bring the Play-Well experience home.

For bathroom breaks, students from ages 5 to 6 will be escorted to the bathroom entrance by staff. Students from ages 7 and up will use the buddy system.

Thank you and Play Well!
