

Kitchen Wizards

1st & 2nd Grade

Here at Red Butte Garden, we believe learning is fun and can happen anytime, anywhere. To help continue the fun at home, we've included an outline of the topics we'll study this week at camp as well as a list of additional activities, books, and other resources related to this week's theme. We hope you'll use this to engage with your camper and keep the learning process happening all summer long! Thanks for coming to Summer Camp, and we'll see you soon at the Garden!

CAMP THEME

The Garden is full of magic in so many forms, and this week campers will make their own magic in the kitchen! They will be creating everything from their own kitchen wands to root beer and color changing lemonade. When they're not in the kitchen, campers will explore the Garden through obstacle courses and scavenger hunts! Grab your magic wands and aprons and head on up the Garden for a week filled with magical discovery and delicious treats.

- **Monday** – Magic wands, and root beer “potion”
- **Tuesday** – Spell books, homemade jam
- **Wednesday** – Solar Powered s'mores and artwork
- **Thursday** – Magical bubbles, and lemonade
- **Friday** – Color changing lemonade

ACTIVITY IDEAS

- Make potions on your own
 - <http://redtri.com/pretend-magic-potions-kids-can-make/slide/1>
- Make exploding bon-bons
 - <https://www.thestarvingchefblog.com/2016/07/exploding-bonbons-harry-potter-recipes.html>
- Make an egg bounce
