

RED BUTTE GARDEN
THE UNIVERSITY OF UTAH

ARBOR DAY

APRIL 26, 2019

There's no better place than Red Butte Garden to celebrate Arbor Day. As Utah's very own arboretum, we can't wait to share the wonderful world of trees.

Thanks to funding in part by Salt Lake County Zoo, Arts, and Parks Program (ZAP), Arbor Day is a ZAP Free Day. Everyone enjoys free Garden admission.

TREE GIVEAWAY

Lamarki Serviceberry
Amelanchier lamarckii

SIZE: 15 to 25 feet high with a spread of 15 to 25 feet

WATER: Thrives in moist, well-drained soil

SUN: Prefers full sun or partial shade

This deciduous, understory tree (or tall shrub) provides year-round interest. In early spring, showy, white flowers give way to green leaves that turn bright red-orange in the fall. In summer, it produces delicious, edible fruit with flavors of blueberry, cherry, and almond. Plant your serviceberry today, and in two to three years you can enjoy its tasty fruit.

For detailed information about planting and caring for your tree visit:

www.arborday.org/trees/righttreeandplace

Let's turn the answers on.

THINGS TO DO

TREE GIVEAWAY VISITOR CENTER

Pickup a free Serviceberry (*Amelanchier lamarckii*) tree seedling to take home courtesy of Rocky Mountain Power. Seedlings available while supplies last.

DROP-IN ACTIVITIES

THE SPROUT HOUSE, 10 AM - 3 PM

Explore the world of trees with a trio of self-guided activities perfect for all ages, including a “tree-rific” craft to take home.

TREE SELFIES

THROUGHOUT THE GARDEN

Which tree is your favorite? Snap a selfie by one of the trees listed below and post it on Instagram using #redbuttegarden for a chance to win a great prize. Visit @redbuttegarden on Instagram for more details.

TREE HUNT & EXPLORATION STOPS

THROUGHOUT THE GARDEN

Can you find the ten trees listed below as you explore the Garden? Along the way, look for an Exploration Stop to discover the vital role leaves, trunks, roots, and seeds play in the life a tree.
