

Fantastic Fairy Tales

1st & 2nd Grade

Here at Red Butte Garden, we believe learning is fun and can happen anytime, anywhere. To help continue the fun at home, we've included an outline of the topics we'll study this week at camp as well as a list of additional activities, books, and other resources related to this week's theme. We hope you'll use this to engage with your camper and keep the learning process happening all summer long! Thanks for coming to Summer Camp, and we'll see you soon at the Garden!

Camp Theme

In this partner camp with Tanner Dance we'll discover the natural world by taking a closer look at the plant and animal life from our favorite fairytales. Each day we'll read a different magical tale and talk about the natural elements involved. Aside from your favorite parts of each fairytale, be sure to ask your camper about the topics below.

- **Monday | Jack & the Beanstalk:** Beans and what plants need to grow
- **Tuesday | Alice in Wonderland:** Mushrooms, how they help the natural world, and where they live
- **Wednesday | The Sorcerer's Apprentice:** Plant propagation
- **Thursday | Peter Pan:** Animals and plants that fly with and without wings
- **Friday | The Little Mermaid:** Aquatic plants and the origins of plant life

Extended Learning Activities

- Make an ocean themed terrarium
 - <http://tinyurl.com/OceanTerrarium>
- Make a dragonfly out of helicopter (maple) seeds
 - <http://tinyurl.com/DragonflyCraft>
- Sprout a lima bean seed
 - <http://tinyurl.com/SproutLimaBean>

Extended Learning Resources

- *One Bean* by Anne Rockwell
- *Mushroom in the Rain* by Mirra Ginsburg
- *A First Book of Fairy Tales* by Mary Hoffman
