

I Will Survive

5th & 6th Grade

Here at Red Butte Garden, we believe learning is fun and can happen anytime, anywhere. To help continue the fun at home, we've included an outline of the topics we'll study this week at camp as well as a list of additional activities, books, and other resources related to this week's theme. We hope you'll use this to engage with your camper and keep the learning process happening all summer long! Thanks for coming to Summer Camp, and we'll see you soon at the Garden!

CAMP THEME

This week at camp we'll discover how to survive in the natural world. We'll learn how plants and animals survive in the wild, and learn how to make things to help us survive. Each day we'll focus on different survival skills. Be sure to ask your camper about:

- **Monday** – Shelter, Animal Shelters
- **Tuesday** – Water, Solar Stills, Water Filtration
- **Wednesday** – Edible Plants, Useful Plants, Poisonous Plants
- **Thursday** – Navigation, Compasses, Maps, Sundials
- **Friday** – Basic First Aid, Survival Skill Obstacle Course

ACTIVITY IDEAS

- Make a sundial out of a wood slab, a nail, and a sharpie
